ABSTRACT.

Pension—Commutation— B. Ramanna Shetty Retd. Motor Vehicle Inspector Medical Examination.

Sri. B. Ramanna Shetty is informed that his age next birth day being taken to be 57 years the capitalized value of Rs. 57-8-0 of his pension will amount to about Rs. 7693/- . The amount will be less if the medical certificate directs any addition to his age; the table of present values on the basis of which the amount has been calculated is subject to alteration at any time without notice and consequently the amount calculated is liable to revision. In the case of his willingness to accept commutation on the terms specified, he should appear before the Standing Medical Board, Government General Hospital, Madras, for medical examination.

2. The Medical Board should subject the pensioner (whose identification marks are given in the application for commutation) to a strict medical examination, requiring him to give such information as to his health and habits as is usually supplied by persons proposing to assure their lives in Assurance Companies and should report in the form prescribed in G.O. No. 348, Finance (Pension), dated the 1st June 1934. The report along with the application for commutation should be sent confidentially to Government, through the Accountant-General.

3. The Secretary to the Standing Medical Board is requested to return the commutation papers to Government if the applicant fails to appear for medical examination on the date fixed by him.

4. The applicant should remit a fee of Rs. 4 (four) into a Government treasury or into the Reserve Bank of India, Madras, or their agents to the credit of Government under the head "XXVII. j. Medical—Miscellaneous" and make over the receipt together with an additional fee of Rs. 12 (twelve) in cash to the Standing Medical Board at the time of the medical examination.
